NOTE 1.—This blank will be used for both enlistments and reenlistments of volunteers, etc., etc., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting notice of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, etc. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, etc. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Secretary's Office

Washington, D. C. March 1, 1862.

Sir,

I have the honor to acknowledge the receipt of your communication of the 28<sup>th</sup> inst. explanatory of the muster into service of James M. Taylor as Captain and Master W. H. Lee, regarding information in this and similar cases of muster, and in reply thereof I am directed to inform you that the order of the General Commanding the Department to muster an officer into service, in any grade, or grades, does not abrogate the necessity, on the part of that officer, of procuring the appointment of a commission from the Governor of the State to which the Regiment into which he desires to be mustered belongs, and the affidavits required in General Order No. 48, as sent down from this Office. If such muster is to date back beyond the actual date in which the muster-in is made; nor is the Mustering Officer authorized to muster in, or out, any officer or enlisted man, except in accordance with the Revised Mustering Regulations, without authority from this Department. The Department or Corps

Commander is not authorized to give orders on this subject  
in violation of the Orders of the Secretary of War, or  
inconsistent with them. If the officer to be mustered  
claims to have been unaware of the necessity for  
a new muster for each grade, he must so state in his  
affidavit.

The affidavits in the case of James M. Taylor,  
a Captain and Major, are retained for file with his  
muster-in rolls, said rolls being suspended.

tion of Col. Joshua Davis 1st Cavalry, and  
I venture to express the hope that you will  
accept of it. I have conversed with  
many of the men of the regiment, who  
do not look upon the feeling against Col  
Davis and who are intelligent well informed  
and honestly men, who tell me that  
the feeling of hostility to Col Davis is universal  
and the regiment will be with anything  
under his command. Besides Davis is anxious  
to get out of the service I am satisfied

Very truly yours

# NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

# NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edn. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, opthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

# DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates down to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

My

Gen. Saxt. Majr Gen.

Dept of the Ohio.

Ohio.

Sir.

I have the honor to  
offer my resignation as Colonel of the 18<sup>th</sup>  
Regt Cavalry, to take effect Sept 1<sup>st</sup> 1863.  
Although it has from the beginning been  
my intention to leave the service as soon  
as the war should cease, I signed the  
necessary which compels me to ask that  
provision be made by private business  
however tedious if necessary that I  
should not longer await an order  
which may not come for some  
months yet my reasons for leaving  
the service at this time, one of our  
entirely private nature and of no

interest to anyone save myself. I may here  
add that my health, though not such as to  
render my retirement from the service  
at present an absolute necessity, has  
been much impaired by exposure in  
the field, during the past two years.  
Prudence and duty, alike demand  
that a matter so important, to my  
future welfare, should not be disre-  
garded. I am not in arrears to the  
U.S. on any account whatever, so  
far as I know, neither have I in my  
possession any public property, nor  
have I had any, that has not already  
been duly accounted for.

I am Sir  
Very Respectfully,  
Yr Obedt Servt

Genl Gillmore

Sir

I am the Guardian of a Father  
less boy named Charles W. Welch, appointed by the  
County Court of Campbell County Ky. as you will  
see by the enclosed copy of Record.

The boy is now in the Military Hospital in Lexington from sickness under which he has been labouring for more than three months. The fever from which he is suffering was Typhus, and although it seems to be broken, yet it has left his system in a condition - manifesting itself by a constant discharge from his ears - that must continue to keep him a burden instead of service to the Army. He was under sixteen years of age when he enlisted last fall. He enlisted without my consent or knowledge, in the 10th Kentucky Cavalry, for one year. And his extreme youth must have been known to the Recruiting Officer who mustered him into service. He has no one but me to look after him.

And it would be very gratifying to me, for  
him to continue in the service of his Country  
if I thought he could endure it or could be  
of use as a soldier. But I do not believe  
in women's, and I feel constrained by a  
sense of my duty and his helplessness and depen-  
dent condition to apply to you for his discharge.  
On both grounds - 1<sup>st</sup> his youth, not near 18  
the limit fixed by the Government for boys to enter  
the service and 2<sup>d</sup> his disease and weakened  
condition.

The latter ground I am aware more legiti-  
mately belongs to the Medical Department,  
but the former falls as I suppose entirely under  
your care.

I am prepared to furnish any facts you  
may require for your opinion in the facts stated  
and I send along with this an affidavit of  
Miss Caroline Weston to the boys age.  
To Her Excellency  
at Springfield  
I am very respectfully  
Yours J. S. Meek
